Rep. Dave Hildenbrand, from the 86th District, offered the following invocation:

“Dear Father in Heaven, we pause before You today to ask for Your guidance and direction as we do Your will in this historic chamber. Where there are differences, we ask for compromise, and where there is tension, we ask for peace. Amidst the hustle and pressures of the day, we pause, also, to thank You for the countless blessings in our everyday lives. Continue to watch over us and guide us, as we do the work of the residents of this great state. In Your name we pray, Amen.”

Rep. Miller moved that Reps. Meadows and Meisner be excused from today’s session.
The motion prevailed.

Motions and Resolutions

By unanimous consent the House considered **House Resolution No. 516** out of numerical order.

The Speaker, on behalf of the entire membership of the House of Representatives, offered the following resolution:
House Resolution No. 516.

A resolution of tribute offered as a memorial for Robert Douglas Trezise, former member of the House of Representatives.

Whereas, The members of this legislative body and many others in state government were saddened to learn of the passing of Robert Douglas Trezise, who served his community, our state, and this nation in many capacities throughout his unselfish life. Those who worked with him will always remember him as a model of the highest standards of public service and a man of abundant warmth, wit, and intellect; and

Whereas, A native of the U.P., born in Ironwood and a graduate of Wakefield High School, Doug Trezise, like so many of his generation, went off at a tender age to serve his country during World War II. After his service in Europe with the Signal Corps, he came home to pursue his education at Michigan State University and build a life that centered on his beloved family and doing things for others; and

Whereas, In his adopted hometown of Owosso, Doug Trezise became a leader in numerous civic initiatives, eventually serving in elective posts on the Owosso City Council and the Shiawassee County Board of Supervisors. In 1970, he was elected to the Michigan House of Representatives, where he distinguished himself during his 2 terms as a thoughtful and effective lawmaker, especially in the areas of taxation and local government operations. Following his legislative work, he served our state as Deputy State Treasurer. In this role, as with his wide-ranging duties on various boards, Doug Trezise came to enjoy the trust and respect of people from all political backgrounds as a man of integrity and unselfishness. This example shall long benefit our state; now, therefore, be it

Resolved by the House of Representatives, That we offer this expression of our highest tribute to honor the memory of Robert Douglas Trezise, a member of this legislative body from 1971 to 1974 and Deputy State Treasurer from 1975 to 1990; and be it further

Resolved, That copies of this resolution be transmitted to the Trezise family as evidence of our lasting esteem for his memory.

The question being on the adoption of the resolution,
The resolution was adopted by unanimous standing vote.

Comments and Recommendations

Rep. Angerer moved that the following remarks be printed in the Journal.

The motion prevailed.

Rep. Robertson:

“The best kind of job anyone can ever have is one they enjoy so much it doesn’t even seem like work. That’s how I feel about serving in the Legislature. I love it, and it has been an honor to serve the Great State of Michigan in the House.

Having first taken the oath of office in the House 18 years ago, a significant chapter of my life is coming to an end.

I want to use my last words in this Chamber to thank those who have brought me to this moment.

In the summer of 1957, in the small town of Stonehaven, Scotland, my father asked my mother two questions in rapid-fire succession which she answered in rapid-fire succession –

He said, ‘Anne will you marry me?’ And she said ‘Yes!’

And he said, ‘Will you come to America with me?’ And she said, ‘YES!’

The questions were asked and answered just as quickly.

I am thankful each and every day for the courageous decision they made. For in doing so they guaranteed to me, my sister, and brothers the two greatest gifts parents can give a child –

Life and American citizenship.

So my first thanks must be to my parents.

Like our Founding Fathers, my parents wanted their children to be Citizens and not Subjects.

My mother did not live long enough to see her eldest son in to adulthood, but I believe that she would be pleased at the man I have become.

Next, I want to thank my staff. All of whom have served me so well.

Thank you to Randall Thompson for his consummate professionalism, wise counsel, and his good humor.

Thank you to Benjamin Frederick for allowing me to play a part in his maturation from a lanky teenager to Honorable Manhood.

Thank you to Erika Farley for her intelligence, organizational skills, and for always providing the vitally necessary perspective in my office each and every day.

Thank you to Jonathan Farley for his fierce loyalty and devotion and encouragement. Thank you most of all for having a passion for both politics and policy which is equal to my own.

Thank you to Michael Telliga who did excellent work for me for four summers while in college and who worked himself to exhaustion and beyond for the GOP this past year.

I would also like to thank my part-time help for all they have done including Erika Anderson, Lindsay Stranc, Emmet Thalman, James Joseph, Mike Van Wysberg, Tammy Allen, Lena Runestad, and Steve Schumacher.

For a middle aged man like myself with no children of my own they are like sons and daughters to me.

I want to take a moment to thank all of my colleagues both present and past and the entire Capitol community for the kindness you all showed to my sister Lesley Daunt and brother-in-law Steve Daunt, my nephew Jacob and my niece

Emily, at a most tragic moment, just four years ago, as mourned the death of my niece Anne Marie in an automobile accident in September of 2004.

There can be no more tragic loss than the death of a child.

Your kindness then and to the present day is deeply appreciated.

I also want to take a moment to remember a dear friend and mentor – a late member of this House and of the Senate who passed away at a very young age, and who I miss very much – the late Rep. and Senator Douglas Carl of Macomb County.

Just as Doug mentored me in my youth, so I have tried to keep his memory alive in the mentoring I have done of others. Doug taught me everything I know about public service – and how to win on Election Day.

Though my heart and my home is in Genesee County – with the deference of my Macomb County colleagues, I will always consider myself a proud step-son of 1980's Macomb County politics.

Shortly after the 2006 election a very well-meaning member of my staff suggested I concern myself with my 'legacy' legislation heading into my final term.

Seizing the opportunity for a mentoring moment, I replied that thinking in such term was misplaced.

The best chance for securing any kind of legacy is to not concern yourself with it.

This State and Nation is so much greater than any one of us that to think in such terms is folly.

My only desire is that for my constituents, state government worked a little bit better for them during my time here than it otherwise would have had I not been around.

If I am remembered at all I hope it is for this.

To my friends – The Democrats:

I have nothing but admiration for you.

It takes a good political party to win elections when they are right on the issues – and the Republican Party is a good political party.

It takes a great political party to win when they are wrong on the issues – and the Democratic Party is truly a great political party.

Your ability to turn your own public policy disasters in to smashing electoral victories is a political sleight of hand that would make Harry Houdini proud.

Of course, we Republicans have occasionally given you an assist, with some Keystone Kop moments of our own.

Since I first started running for office some 20 years ago, I have repeatedly been asked some variation of the following question –

How can you get elected as or be a Republican in Flint, Michigan?

My response has always been the same –

Nowhere is a conservative Republican viewpoint more desperately needed than in Flint and Genesee County Michigan.

I look forward to offering this viewpoint for many more years to come.

Serving in this House has been a true honor and privilege for which I will always be grateful. I want to thank the very good people of southern Genesee County – the communities of Grand Blanc, Goodrich, Fenton, Linden, Atlas Twp., Argentine, and Mundy Twp. for granting me the opportunity to serve. Every member of this House who stands for election and is called to serve understands the unique bond we all feel for the people of our districts.

As everyone knows I am a man who wears my heart on my sleeve, leaving the House is an emotional moment for me.

Yet, I could not be happier. My last two years here will always be the most special since it is during this time I met, courted, fell in love with, and married my wife Teri.

I bless the day she came in to my life!

Some of my colleagues are aware of my love of classic motion pictures.

One of my favorite is *Yankee Doodle Dandy* and James Cagney's Academy Award winning performance as George M. Cohan.

You will remember that Cohan, along with his parents and sister, as a member of *The Four Cohan's* revolutionized the American musical theatre in the early 1900's. George N. Cohan is best remembered for his composition of *Grand Old Flag* and *Over There*. He was awarded a Congressional Medal of Honor for his contributions to the American Spirit by Franklin Roosevelt.

Thought I lack Jimmy Cagney's ability to dance down the Capitol steps – as he did the White House staircase – I will borrow my final farewell from *Yankee Doodle Dandy*.

Long after his family member retired and George M. Cohan became a solo act he would thank his audience and bid farewell after every performance in the same way.

He said:

My mother thanks you

My father thanks you

My sister thanks you

And I assure you I thank you."

Comments and Recommendations

Rep. Hune:

"I walked into the House Chambers 10 years ago in 1998 fresh out of high school and just beginning my job as a Page. On my first day of work I was told to report to Chief Sergeant at Arms Jack Porn, he was a great boss, but I don't think that I have heard a funnier name since. It has been a tremendous honor to serve in this institution. It has certainly been good to me and I would like to think that I have been good in return and to the people of the state of Michigan, as well.

There are so many people to thank and mention today, but I needed to limit it.

Leader DeRoche you and I spent a whole lot of time together involved in insurance policy and our caucus election efforts. We often didn't agree, but you usually talked me into submission and I've gotta admit that I stopped trying to figure out what was going through that crazy head of yours a long time ago.

Virgil Smith- looking back it is amazing that you ever wanted to hang out with this chubby young conservative farm kid from Livingston County. But you are one of the handful of legislators in this town whose word I knew was golden. I always knew that if you told me something it was the truth. I wish you the best Mr. Chairman.

To my friend Chris Ward. I'm surprised that you even showed up today, after all it is Wednesday. You are a brilliant friend and someone actually described you as a savant to me before. However I think that is the second most accurate description of you, behind the term Sloth!!! We have been super close friends political allies and have always looked out for each other. I need to thank you for what you have called your biggest legislative achievement -being the match maker for my new bride Marcia and me. Ward we constantly laugh when we are together and it is usually at someone else's expense, with Wenke and Robertson as the usual targets. In fact we have literally laughed ourselves sick before. Thanks for everything.

My seatmate Ed Gaffney. You are the only person I know that is actually a caricature of yourself. Ed, you and I agreed on almost nothing, but that has never come between us and we have always been there to support each other if needed. Ed you may be the one of the most quotable people in Lansing. My favorite Ed Gaffney quote was, 'Uhhh Joe, the two best qualities you can find in a spouse is low self-esteem and no sense of smell.' Ed thanks for everything.

Gary Randall- you put your confidence in me when you chose me to work in your office for a few years before I was elected and you have always been there deflate my ego, when I needed that the most. When I initially lost my first election by 2 votes I was so mad at you because you talked me into running for this office, but when I finally won my recount by 2 votes I have been thankful to you ever since. Gary we have often talked about being long lost twins, despite our age difference, me having a few more pounds, and also a whole lot more hair than you, we have the same dreams, interests, and visions. Just like John Stahl said, you have been a great mentor and a father figure to me, well more like a grandfather figure to me.

To my family, supporters, friends, and the residents of the 47th District thank you for putting your confidence in me as your advocate in Lansing. It has been awesome and I hope that I made you proud.

To all of the people that work in this town, especially the non-partisan staff, like Dan Stump and the rest of the Clerks Office, and others around here thank you for everything.

To my staff that made me look so good and without a doubt took care of the people of Livingston County. Andrew Clarkson moved onto greener pastures a while back.

Mary Helfmann you have been a tireless advocate on my behalf and behalf of our constituents. You have coddled our residents like no other and your compassion will be sorely missed by the residents of Livingston County.

Troy Tuggle you have been a great friend and your work has been awesome. You too have been there to give me a jab when I needed to be grounded the most. Your detail and work ethic is admirable.

Rep-elect Cindy you we have spent an enormous amount of time together over the past several years and you were there for me from day one on the campaign trail. You too have been a tireless advocate on my behalf and have been committed to our office from day one. You were once called our office den-mother and I think that was the perfect description for you. I always knew that things were taken care of when you were around and I have the utmost confidence in you serving the 47th District next. Congratulations you deserve it and I am confident that our residents will be well cared for.

I remember doing farm chores with my dad one day and letting him know that I was going to run for the State House. He said to me that there was no way on earth that I could win but he and mom would put in 110% if I did decide to get into the race. My parents worked so hard for me to be able to make it to this town and they deserve all of the thanks in the world.

To my other half, my new bride-Marcia. You mean the world to me and I too need to thank you for being so supportive of me and this position. I also need to thank you for finally giving in after Chris Ward worked so diligently to set us up. You deserve an award for putting up with me thus far and I love you so much.

Thank you my friends and God Bless.”

Comments and Recommendations

Rep. Nofs:

“Thank you Mr. Speaker

Mr. Speaker, I stand before you today with much to be thankful for. I’m thankful for the gift of life that God has given me. I’m thankful for the immense blessing of my family who is always there to support me. My mother and father, who are such incredible individuals, who sacrificed so much to give eight children a wonderful life and who taught me that giving is so much better then receiving.

And I am especially thankful for the citizens of the 62nd District and their allowing me to represent them as their state representative for the past six years. It has been an extraordinary journey... full of challenging issues and tough choices but also of bridges built and progress made. And in the course of this journey, I’ve found among my fellow travelers many wise teachers, innovative partners in policy making, and great friends.

Mr. Speaker, there are many friends from both sides of the aisle that I would like to thank today. Time will not allow me to mention all of them but I would like to express my appreciation to at least a few.

From across the aisle, friends like Paul Condino, Andy Meisner, Steve Bieda, Richard LeBlanc, John Espinoza, Tupac Hunter, Alma Wheeler Smith, Jeff Mayes, Gino Polidori, Tim Melton and yes Mr. Speaker even Mike Sak.

From this side of the aisle former members Tom (Sugar Beet Daddy) Meyer, Bill (Victim Rights) VanRegenmorter, Gary (Mr. Nice Guy) Newell, John (I’m different) Stewart, Ruth (First Lady) Johnson just to name a few.

Current members from this side of the aisle John Proos, David Palsrok, Tim Moore, Bill Huizenga, Howard Walker, John Moolenaar, Kevin Green, Phil LaJoy, David Law, Rick Shaffer, Bruce Caswell, John Stakoe, Mr. Vulnerable Jack

Brandenburg, John Garfield, Tonya Schuitmaker and especially the F.A.R.M. team members and you know who you are. I must give a special mention to one other seatmate. Who I thought by the time my six years were up either he or I would have killed each other by now. Rep John Stahl. John you tested my patience but we've also shared so many great times and I thank you John for that.

Mr. Speaker when I look back on the successes I have had during my six year legislative career, I am deeply grateful for those who helped make them possible – in particular the LSB and Fiscal and Policy staff, and the clerks, especially Cath Petroskey and my favorites the Sergeants of Arms. With the help of members from both sides of the aisle I have been fortunate to work on and had signed into law several major pieces of legislation including the Michigan Telecommunication Act, the Uniform Video Services Local Franchise Act, and the recent Michigan Electric Package, just to mention a few.

Mr. Speaker none of this would have been possible had we as a body not been willing to do the right thing at the right time for the right reason. I thank all of you for your support on these issues.

I would like to thank my current chairman and my former vice chairman of the Energy and Technology Committee Representative Frank Accavitti. Frank was one of the reasons we were so successful in passing all of these laws. Frank you are a good friend and a great chairman.

Mr. Speaker I want to give recognition to those in leadership positions who believed in me over these past six years. First, I would like to thank former Speaker Rick Johnson who, along with John Llewellyn, helped and believed in me during my first election. Thank you Rick and John.

Next, I would like to thank former Speaker Craig DeRoche who as speaker during the MTA and Video Franchise Act believed in my ability as chairman of the committee and let me work through the process to get the job done. Craig that was very much appreciated and I thank you for that.

Finally, I would like to thank the current speaker who is not only a great leader but a very good friend of mine Andy Dillon. Andy, you and I talked about this a lot - that by putting politics aside good people can truly do what is right for the citizens of Michigan. You never gave up and always believed together we could get it done and we did. You are an outstanding and unique individual and not a bad golfer either. Thank you Andy.

Last but not least, I want to thank my staff. They've served me and my constituents with dedication, professionalism, patience, compassion, and always, a great sense of humor. David Yardley was with me through my first campaign and during my first term. His enthusiasm and insight gave my legislative career a solid foundation to build on. Greg Moore has been with me for the past 4 years and I owe much of what I have been able to accomplish to him. He was always willing to work through the issues with me and never failed to go the extra mile. I would also like to thank Elizabeth Kidd who interned and served on my staff. Lizzie is an incredibly talented writer and excellent in helping constituents. Finally, I would like to thank Patty Pastor who kept my office, budgets and schedule straight – well most of the time. We made it through 6 years together even though it was doubtful at first. You gave the office what it needed that touch of magic that only you could provide. Patty, Dave, Greg and Lizzie, you are the reason that I have been so successful in Lansing and I cannot thank you enough.

In closing Mr. Speaker I have loved and cherished my time serving in the House of Representatives. I want to thank the citizens of the 62nd District for giving me the privilege of serving on their behalf. It has truly been an honor and a chapter in my life's book that I will never forget. It has been a wonderful dream come true working with so many wonderful and dedicated individuals within the walls of this great institution and I do not want to wake up.

In my family we never say 'Good-Bye' we always say 'So Long until we meet again.' So now I say to all of you 'So Long,' Thank You and God Bless each and every one of you.

Thank you Mr. Speaker."

The House agreed to the title as amended.

Rep. Opsommer, having reserved the right to explain his nay vote, made the following statement:

“Mr. Speaker and members of the House:

While I agree that how we fund our transportation infrastructure is critically important, this is part of a package of bills that have been brought forth this evening that have been substituted and/or amended in a manner that has not been shared with the House as a whole. In some cases, it has become evident after the fact that they are being substituted in a manner so that they actually have the opposite of the initial purpose of the bill. As such, I can not vote on a bill without knowing its true content, and I wish to thank Rep. Vagnozzi for pointing out that the majority of members are being asked to vote on these bills without knowing what they accomplish.

Before we can consider raising gas taxes, registration fees, or other hardships onto Michigan’s citizens it is important that we first ensure that the equivalent of all gas tax monies be spent on road funding, and that the road funding money we generate is not being diverted for other purposes. For that reason I am in support of my bills that would create the Priority Now! Transportation fund, HB 6520, HB 6521, and HJR NNN to establish a baseline for how much transportation money we currently should be using.”

Rep. Pastor moved that Rep. LaJoy be excused from the balance of today’s session.

Rep. Palmer, having reserved the right to explain his protest against the passage of the bill, made the following statement:

“Mr. Speaker and members of the House:

I respectfully decline to vote for another piece of legislation that seeks to raise more revenue by increasing fines and penalties, particularly one that addresses the harsh treatment of animals in a tougher manner than harsh treatment of human beings, particularly the unborn.

Courts are capable of determining whether the evaluation for counseling is warranted. With scarce resources, judgment as to the need in individual cases should continue. Further, the penalty is clearly disproportionate to other crimes against persons; Michigan has no 8-year felony.”

Rep. Young offered the following resolution:

House Resolution No. 514.

A resolution to urge the Michigan Department of Community Health to take further actions to address racial and ethnic health disparities and to fulfill responsibilities provided in 2006 PA 653.

Whereas, Racial and ethnic populations in Michigan remain disproportionately affected by preventable illness and chronic disease. These disparities exist in all areas, including infant mortality, cancer, diabetes, and cardiovascular health, as well as numerous other areas; and

Whereas, In 2006, the Michigan Legislature enacted PA 653 to require the Department of Community Health to take specific actions to address racial and ethnic health disparities in this state and to issue an annual report on the impact of the law. The department's Health Disparities Report to the Michigan Legislature issued in 2007 identifies steps that were taken by the department to address health disparities while also acknowledging that fiscal and staff limitations as well as departmental "cross-divisional" responsibilities have impeded real progress; and

Whereas, Action must be taken by the Department of Community Health to implement a minority health policy that is aimed at reducing the incidence and prevalence of diseases that lead to premature mortality rates in minority populations in Michigan. To more aggressively pursue this mission, the department must:

—Complete the development of a long range statewide strategic plan for the reduction of racial and ethnic health disparities in this state;

—Seek to partner with county health departments, community groups, minority health coalitions, and private sector entities on the development of specific interventions and on the development of an appropriate health promotion and disease management program; now, therefore, be it

Resolved by the House of Representatives, That we urge the Michigan Department of Community Health to take further action to address racial and ethnic health disparities and fulfill their responsibilities under 2006 PA 653; and be it further

Resolved, That copies of this resolution be transmitted to the Governor and to the Director of the Michigan Department of Community Health.

Pending the reference of the resolution to a committee,

Rep. Tobocman moved that Rule 71 be suspended and the resolution be considered at this time.

The motion prevailed, 3/5 of the members present voting therefor.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Condino, Bieda, Ebli, Lemmons, Brown, Espinoza, Lahti, Lindberg, Vagnozzi, Constan, Miller, Cushingberry, Simpson, Coulouris, Clemente, Griffin, Meadows, Hammon, Alma Smith, Sheltrown, Polidori, Stahl, Melton, Accavitti, Ball, Bennett, Booher, Brandenburg, Caul, Clack, Dean, Garfield, Gonzales, Green, Hansen, Hopgood, Huizenga, Rick Jones, Robert Jones, David Law, LeBlanc, Leland, Marleau, Moss, Nitz, Palmer, Pastor, Pavlov, Pearce, Proos, Sak, Shaffer, Spade, Tobocman, Valentine and Walker offered the following resolution:

House Resolution No. 515.

A resolution to recognize and honor Charlie Sanders, the greatest Detroit Lions tight end ever, for his induction into the Pro Football Hall of Fame.

Whereas, Football's great common denominator resides in the statistics that surround and define achievement; and

Whereas, Charlie Sanders was a two-time All-Pro, and he went to seven Pro Bowl games. Charlie scored 31 career touchdowns and he ended his career with 336 receptions, a team record that lasted 20 years; and

Whereas, Charlie Sanders is a man with all the ingredients for greatness and the personal class that melded so well with his enormous talent and determination. His presenter at the induction ceremony, Detroit Lions owner William Clay Ford noted that "his mere presence and being so dedicated to football rubs off on everything"; and

Whereas, Sanders, who gave his all every time he stepped onto the field and played with all his heart, was voted into the Pro Football Hall of Fame on February 3, 2007, by a 40 member seniors committee board of the Pro Football Writers Association of America. On August 4, 2007, he was inducted into the Hall of Fame along with five other National Football League greats; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body recognize and honor inductee Charlie Sanders of the Pro Football Hall of Fame Class of 2007; and be it further

Resolved, That we encourage all citizens to recognize and applaud Charlie Sanders.

Pending the reference of the resolution to a committee,

Rep. Tobocman moved that Rule 71 be suspended and the resolution be considered at this time.

The motion prevailed, 3/5 of the members present voting therefor.

The question being on the adoption of the resolution,

The resolution was adopted.
